Dear Parent:

In accordance with ESEA Section 1111(h)(6) *PARENTS RIGHT-TO-KNOW*, the Chicago Ridge Public School District 127½ is notifying every parent of a student in a Title I school that you have the right and may request information regarding the professional qualifications of your child's classroom teacher. This information regarding the professional qualifications of your child's classroom teachers including, at a minimum, the following:

1. Whether the teacher has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction.
2. Whether the teacher is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived.
3. The baccalaureate degree major of the teacher and any other graduate certification or degree held by the teacher, and the field of discipline of the certification or degree.
4. Whether the child is provided services by paraprofessionals and, if so, their qualifications.

If at any time your child has been taught for four or more consecutive weeks by a teacher not highly qualified, the school will notify you.

If you have questions, please feel free to contact your district superintendent, Dr. Bernard Jumbeck, at the following phone number 636-2000.

Sincerely,

Bernard J. Jumbeck, Ed.D  
Superintendent of Schools

Dear Parents:

Among the many requirements of the federal No Child Left Behind Act is the mandate that all public schools and public school districts annually release a report card. These report cards, prepared by the Illinois State Board of Education for the Chicago Ridge Public School District, Elden D. Finley Junior High School, Ridge Central School and Ridge Lawn School, will be available at the Chicago Ridge Public School District web site ([www.crsd1275.org](http://www.crsd1275.org)) on Friday, October 28, 2005.

If you do not have access to the Internet, you may request a paper copy of the District and individual school report cards by writing to the principal of each school, or by writing to the superintendent of schools and requesting the documents. In addition to the annual school report card, the District's web site contains other relevant information with respect to No Child Left Behind and the Chicago Ridge Public Schools.

Sincerely,

Bernard J. Jumbeck, Ed.D  
Superintendent of Schools
